RE: Amendment for UnitedHealthcare Services Co. of the River Valley, Inc. Tri-Cities Area

Please find attached a Non-Competitive Amendment request to add language to the existing contract with UnitedHealthcare Services Co. of the River Valley, Inc. signed by Commissioner Goetz. The amendment to this contract provides for the extension of the term through December 31, 2008 and continuation at the current rate of compensation. Under the risk sharing arrangement, the guaranteed trend factor will be revised to 15% for calendar year 2008. For the first three years of the contract the guaranteed trend factor was equal to 30% for each year. The option to extend the contract for up to an additional two years was included in the original contract.

Additionally, the amendment adds responsibilities for the Contractor regarding data interface with the Edison project. The amendment also updates the name of the company reflecting the acquisition of John Deere Health, Inc. by UnitedHealthcare Services Co. of the River Valley, Inc.

The base contract and amendment # 1 are included as is a draft of amendment # 2 for your review.

Thank you for your consideration of this request.
